### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; includes determined that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Danville Library, Inc., as of June 30, 2017, and its support, revenue, and expenses for the year then ended in accordance with the modified cash basis of accounting.

### ***Emphasis of Matter***

The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Operating Fund Statement of Support, Revenue, and Expense- Cash Budgetary Basis on page 17, and the Reconciliation of Operating Fund Statement of Support, Revenues, and Expense- Cash Budgetary Basis to Statement of Support, Revenue, and Expense- Modified Cash Basis on page 18 are presented for purposes of additional analysis and are not a required part of the financial statements. DANVILLE LIBRARY, INC.  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2017

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Danville Library, Inc. (the Library) is a not-for-profit corporation operated under Section 501 (c) (3) of the Internal Revenue Code. The Library was established in 1893 through private funding and has been operating with private and public funds since 1972. The public funds are primarily provided by the Boyle County Library Taxing District which collects property taxes from the local government.

Danville Library, Inc. provides access to materials and services to help users obtain information to meet their educational, personal, and professional needs. The Library services as a lifelong learning and general information center and as an access point for current resources of local, regional, and broader interests. The Library's primary emphasis is on developing a collection of materials for people of all ages to use in their pursuit of personal growth, development, and leisure.

Basis of Presentation

The Library is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Accordingly, net assets of the Library and changes therein are classified and reported as follows:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations on the original and/or revolving proceeds that may or will be met, either by actions of the Library and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Support, Revenue, and Expenses- Modified Cash Basis as net assets released from restriction.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Library. Generally, the donors of these assets permit the Library to use all or part of the income earned on any related investments for general or specific purposes.

Basis of Accounting

The financial statements of the Library have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, revenues and the related assets are recorded when received rather than when the obligations are incurred. Modifications to the cash basis of accounting include recording investments at fair market value and carrying fixed assets at historical cost less accumulated depreciation.

Cash and Cash Equivalents

The Library considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

Investments

The Library's policy is to report investments in marketable securities, with readily determinable fair values and all investments in debt securities, at their fair values in the statement of assets, liabilities, and net assets- modified cash basis. Unrealized gains and losses are included in the statement of revenues, support, and expenses- modified cash basis.

DANVILLE LIBRARY, INC.  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2017

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Budgeting

The Library annually adopts a budget in conjunction with the Boyle County Library Taxing District. The budget is presented on the cash budgetary basis of accounting, which is not consistent with the modified cash basis of accounting. Amendments to the budget must be made prior to the fact and approved by the majority of the Board of Trustees of both Danville Library, Inc. and Boyle County Library Taxing District.

Support and Revenue

The Library received its funding from a few main sources that are summarized in Note 3. The remaining funds are derived from private donations and client fees. The Library considers all contributions to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reports as temporarily restricted support which increase that net asset class.

Property, Equipment and Depreciation

Property and equipment is stated at cost or, if donated, at the approximate fair value at the date of donation. All property and equipment purchases have been capitalized and recorded in the financial statements. The Library defines capital assets as assets with an initial individual cost of more than \$1,000.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Depreciation for the year ended June 30, 2017 was \$55,187.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status

The organization is recognized as a tax-exempt organization under code Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal income tax has been made. In addition, the Organization has been classified as an Organization that is not a private foundation under Section 509(a).

The Organization is not aware of any unrelated business income as of June 30, 2017. In Accounting Standards Codification (ASC) 740-10-50, Income Taxes, (formerly FIN 48, Accounting for Uncertainty in Income Taxes) the Financial Accounting Standards Board (FASB) requires entities to disclose known or anticipated positions of income tax uncertainty. The Organization is not aware of any uncertain tax positions that would require adjustment to the financial statements. The Organization files income tax returns in the U.S. federal jurisdiction. Generally, the Organization is no longer subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2014.

NOTE 2 – CONCENTRATION OF CREDIT RISK

The Library maintains cash and cash equivalents in local banks which may, at times, exceed the FDIC limits. The Library's cash and cash equivalents are categorized as either (1) insured or collateralized with securities held by the entity or by its agent in the entity's name, (2) collateralized with securities held by the pledging financial institution's trust department or agent in the entity's name or (3) uncollateralized (this includes any bank balance that is collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the entity's name).

DANVILLE LIBRARY, INC.  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2017

NOTE 2 – CONCENTRATION OF CREDIT RISK (CONTINUED)

The Library’s categorization as of June 30, 2017 was as follows:

Category 1	\$	250,000
Category 2	\$	6,253
Category 3	\$	-

NOTE 3 – CASH AND CASH EQUIVIVANTS

Operating transfers are the amount of cash resources that the board has elected to restrict or release from restriction. Below is the summary of the cash on hand at June 30, 2017.

	Unrestricted Funds	Temporarily Restricted Funds	Total

NOTE 4 – CAPITAL ASSETS

The Library has worked with Boyle County Library Taxing District over the year to jointly expand the current library building, purchase furniture, equipment, and supplies. Jointly owned fixed assets purchase prior to July 1, 2000 are stated at historical cost in the Danville Library, Inc. financial statements. Fixed assets purchased since July 1, 2000 are included in the Boyle County Library Taxing District’s fixed assets and are stated at historical cost.

The Library purchases various educational materials each year, some of which increase in value and some that depreciate. Rather than attempting to depreciate each unit, the Library values these materials based on a ten-year rolling average. The average takes the costs of library materials over the most recent ten-year period. During the year, the Library thoroughly reviewed and evaluated the collection resulting in an increase in the value of the collection of \$24,876.

Capital asset activity for the fiscal year ended June 30, 2017 was as follows:

	June 30, 2016	Net Additions & Disposals	June 30, 2017

NOTE 5 – INVESTMENTS

Investments held by the Library consisted of the following as of June 30, 2017:

	<u>Cost</u>	<u>Market Value</u>	<u>Unrealized Appreciation</u>
Mutual Funds	\$ 18,053	\$ 18,671	\$ 618
Fixed Income Bonds	998,035	1,011,218	13,183

Unrealized gain (loss) on investments			<u>\$ 76,618</u>

The Library has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Financial assets and liabilities recorded on the statement of financial position are categorized based on the inputs to the valuation techniques as follows:

*Level 1* – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Library has the ability to access.

*Level 2* – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable whether directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in non-active markets;
- Pricing models whose inputs are observable for substantially the full term of the asset or liability; and
- Pricing models whose inputs are derived principally from or corroborated by observable market data through correlation or other means for substantially the full term of the asset or liability.

*Level 3* – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

The Library’s fair value of securities available for sale measured on a recurring basis at June 30, 2017 is as follows:

		<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Quoted Prices in Active Markets for Identical Assets/Liabilities (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
<u>June 30, 2017</u>	<u>Fair Value</u>			
Mutual funds	\$ 18,671	\$ 18,671	\$ -	\$ -
Fixed income bonds	1,011,218	1,011,218	-	-
Stocks and equities	<u>2,443,666</u>	<u>2,443,666</u>	-	-
	<u>\$3,473,555</u>	<u>\$ 3,473,555</u>	<u>\$ -</u>	<u>\$ -</u>

Fair value for investments is determined by reference to quoted market prices and other relevant information generated by market transactions. There have been no changes in valuation techniques and related inputs.

DANVILLE LIBRARY, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 JUNE 30, 2017

*State Financial Assistance-* State Aid if provided by the Kentucky Department of Libraries and Archives and is recognized as received.

*Endowment Funds-* Income from Endowment Funds are used to finance the current operations of the Library.

The Library records all restricted contributions whose restrictions have been met in the same reporting period as unrestricted support.

*Other Revenue-* Other revenues are composed primarily of interest and miscellaneous charges for services.

The Library’s employees are provided with the Teachers IAA/CREFF (TIAA/CREF) retirement plan.

**General information about the Teacher IAA/CREFF retirement plan**

*Plan description*—Employees who have worked for one year (full or part-time) may choose to participate. Participants have five percent of their gross wages withheld and the Library has a matching contribution.

*Benefits provided*—TIAA/CREF provides retirement benefits to Plan employees and beneficiaries.

The Library contributed \$43,565 on behalf of its employees and Northpoint Training Center contributed \$3,232 during the current fiscal year. Should employees choose not to accept this benefit, the employees will not be given any other benefit in lieu of retirement contributions. Employees may choose to have additional funds withheld from their paycheck and invested in the retirement plan, up to the amount allowable by law.

NOTE 8 – NET ASSETS

The Library's net assets are classified based on availability of cash funds for current or restricted purposes. Unrestricted net assets are those amounts that are available for use without any imposed restriction. Temporarily restricted net assets are those amounts available, but with certain restrictions, such as contributions earmarked for a specific purpose or endowment funds with restrictions on the use of the investments. Permanently restricted net assets are those amounts that are never available for expenditures by the Library.

Unrestricted Net Assets consist of the following funds:

- Operating Fund- The Library uses this fund to manage unrestricted resources available for support of operations.
- Equipment Replacement/Depreciation Fund - The Library established this fund to provide for maintenance and replacement of equipment and maintenance of the building.
- Endowment Fund - Donations from various gifts and bequests, whose original principal was restricted temporarily, are listed in the endowment fund. All restrictions have been met on endowment funds currently held and are listed as unrestricted assets. The Board will continue to use the income for operations, but has designated the principal for future expansion. Therefore, they are accounted for separately.

Temporarily Restricted Assets consist of the following funds:

- Memorial Fund- The Library records restricted donations in the Memorial Gift Fund. As restrictions are met, funds are released. The end of the year balance reflects donations whose restrictions have not been met. This fund is listed as temporarily restricted.
- Northpoint Training Center Agency Fund- The Library, acting as an agent for the state, receives and dispenses funds for the Northpoint librarian. These funds are listed as temporarily restricted.

NOTE 9 – FUNCTIONAL ALLOCATION OF EXPENSES

The Library provides one program, library services. The costs of providing this program and its activities have been summarized on a functional basis in the statement of Revenue, Support, and Expenses Operating fund Budget to Actual- Cash Budgetary Basis. Were there to be additional programs, a separate statement of functional expenses would be presented and accordingly, certain costs would be allocated among the programs and supporting service benefited.

NOTE 10 – CONTRACT AND CONCENTRATION WITH BOYLE COUNTY LIBRARY TAXING DISTRICT

The Library has a five-year contract with Boyle County Library Taxing District to provide library services for Boyle County residents. Should Boyle County Library Taxing District no longer contract with Danville Library, Inc. to provide these services, the Library may have difficulty finding a replacement.

The contract signed in June 2012 by both the Board of Trustee of Boyle County Library Taxing District and Board of Trustees of the Danville Library, Inc. will be in effect until June 30, 2017.

Under the terms of the contract the two boards will establish a sum by June 30 for the following fiscal year's budget. All Kentucky Department for Libraries and Archive grants will go to Danville Library unless designated for a construction project.

Should this contract not be renewed and Danville Library, Inc. no longer provide these services, finding a replacement could impact the Library in its ability to provide services. Currently the main revenue of the Library is the funds it receives from Boyle County Library Taxing District under the contract.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2017

NOTE 11 – RESTATEMENT OF BEGINNING NET POSITION

In our review of the collection expense, the collection was undervalued by \$272,947 at the beginning of the year. As a result, the Library's beginning unrestricted net assets will be adjusted by the amount of the error at July 1, 2016.
