## Free Computer Workshops

### May 2017

#### **COMPUTER BASICS - BEGINNER** - Monday, May 8<sup>th</sup> at 11:00 AM

*This class is an introduction to the various parts of a computer. It will cover the importance and difference between hardware and software, using a mouse/keyboard, and give an overview of how to launch programs.*

#### **INTERNET BASICS** - Wednesday, May 10<sup>th</sup> at 11:00 AM

*What is the internet? Why is it useful? This class will cover accessing websites, different browsers, common buttons and menus, and more! (Computer Basics recommended.)*

#### **EMAIL BASICS** - Monday, May 15<sup>th</sup> at 2:00 PM

*This class will provide new computer users with some basic skills to set up and use an email account, including sending emails and adding attachments. (Internet Basics recommended.)*

#### **INTRODUCTION TO MICROSOFT WORD** - Wednesday, May 17<sup>th</sup> at 2:00 PM

*A basic introduction to word processing using MS Word including using the ribbon; creating, saving, and printing documents; copying, and pasting text; formatting lists; and checking spelling and grammar. (Computer Basics recommended.)*

#### **INTRODUCTION TO MICROSOFT EXCEL** - Monday, May 22<sup>nd</sup> at 11:00 AM

*An introduction to the spreadsheet productivity software from Microsoft. Create, save, and print worksheets; enter and modify data; and learn a few basic functions/formulas. (Intro to MS Word helpful.)*

#### **INTRODUCTION TO MICROSOFT POWERPOINT** - Tuesday, May 23<sup>rd</sup> at 2:00 PM

*This class provides a basic introduction to Microsoft's slide presentation software. We will cover creating a slideshow; determining slide layout and design; and entering information. (Intro to MS Word helpful.)*

#### **JOB SEEKING AND APPLICATIONS** - Thursday, May 25<sup>th</sup> at 2:00 PM

*Looking for a new job? This class will provide an overview of some resources available to job seekers in finding employment, and some tips for getting started on your application. (Internet Basics recommended.)*

**To register for programs, call  
(859)238-7323  
or go to the library website.**
