

Summer Reading Program Kick-off TUESDAY June 1st 10AM-2PM In-person

Stop by the Library to kick off this year's Summer Reading Program! Pick up a Book Buddy and a calendar of events. Book Buddies are available on a first come, first serve basis. We'll have weekly social media challenges using #BCPLsummer for you to share where you are reading with your new Book Buddy! Your fuzzy friend will keep you company as you work on your reading challenge on Beanstack.

The theme for Summer Reading 2021 is *Tails & Tales*, and we'll be doing a lot of fun virtual and in-person activities and events for all ages all summer long! Summer Reading is for kids, tweens, teens, and adults.

As always, ALL programs are FREE to attend!

HOW TO PARTICIPATE IN SUMMER READING:

Use your Beanstack account to log 10 days of reading in the summer challenge. Try to read for 20 minutes per day. Participants who complete this challenge will earn *FREE* brand new books of their choice and a prize drawing entry! See all our prizes on Beanstack and at **BoylePubLib.org/SummerReading**.

Find full event details at BoylePubLib.org/events. Current state and local health & safety guidelines will be enforced at in-person events. Kits for programs can be picked up at the Library in the Lobby while supplies last. Registration opens 2 weeks before those select events and have limited capacity available.

AN INTERPRETER FOR THE DEAF & HARD OF HEARING IS AVAILABLE UPON REQUEST BY CONTACTING THE LIBRARY 48 HOURS IN ADVANCE OF ANY LIVE EVENT.

JUNE /JULY

Pick up a kit!

All of June
OUTDOOR
SCAVENGER HUNT All Ages
In-person
