Wintertime Crafts & More

Video of instructions to make each activity will premiere on the library's Children's Programming Facebook page and YouTube. You must call the library at (859) 238-7323 to register to reserve your bag by Friday, January 15. Pickup kits at the library from Mon-Wed, Jan.18-20.

Made from Scratch: Salad Dressings

Learn how to make your own delicious salad dressings and add a little extra (healthy) zing to your diet. Pick up a kit from either Boyle County Cooperative Extension or the library starting Monday, January 18 (while supplies last, one kit per household, please), then view a tutorial video from Family and Consumer Sciences agent Alethea Price Bruzek premiering the same day. Video premieres on the library's YouTube channel. (Ages 18+)

Stories from the Archive

Every library, big and small, has its secrets. Join Steve Ellis, our Reference Assistant, as he delves into some of the historical documents and treasures held in the Boyle County Public Library's collection. This month: "A Small Piece of Paper: Kentucky Land, Texas, the Civil War, and a Tornado." Have you ever looked at an old piece of paper with the names of people and places you have never heard of, and wondered what became of them? Hear the story of three families, a plot of Kentucky land, a family's migration to Texas, service in the Civil War, and a destructive tornado. How are all of these connected? You'll just have to watch and find out. Premieres Jan.14 at 4 PM on the library's YouTube channel: BoylePubLib.org/youtube

Winter Reading Challenge

Jump start your reading resolution! Read at least 20 minutes per day for 5 days. Use Beanstack to track your progress and enter the weekly prize drawings, which will be based on reading.
